

Will we use our energies to reach, equip, and deploy men to the glory of God?

The Church is looking for better methods; God is looking for better men. The Holy Ghost does not flow through methods, but through men. He does not come on machinery, but on men. He does not anoint plans, but men...men of prayer. -EM Bounds

“Now Jesus was telling the disciples a parable to make the point that at all times they ought to pray and not give up and lose heart.” Luke 18:1 AMP

[Apostle Paul] “I desire therefore that the men pray everywhere, lifting up holy hands, without wrath and doubting.” 1 Timothy 2:8

Male Context²

1. Men follow men. 2. Men need male leadership. They are looking for **men who will lead them to greatness.** **3. Men need vision. 4. Men need purpose** **5. Men respond positively to being disciplined.** **6. Men are visual and want to conquer territory.** **7. Men will not lead** in areas where they do not feel **equipped and competent.**

Male Leadership

- “Whenever God calls His people to Himself, **He uses His leaders.**” (Blackaby) We must **call** our people to prayer and spiritual activity.
- “People **don’t drift naturally toward prayer and evangelism.**” Leadership is required to keep these ministries on task. Dr. Rick Shepherd
